

CARER TRAINING

OCT- NOV 2025

Carers for Kids NSW offers a range of training courses to help carers better support the children and young people who rely upon them. We have designed the training program using feedback from carers, adding more weekend and after-hours training in addition to our on-demand webinars and modules.

- All training is held online
- Each training topic will include multiple online sessions, held on weekdays and weekends

SESSION	DATE /TIME	DESCRIPTION
Increasing the Mental Health and Safety of Young People at Risk of Suicide Facilitated by Fostering Growth	Thur 30 Oct 10AM-12PM	This webinar is designed to raise awareness, deepen understanding, and equip you with the skills to respond compassionately and effectively to young people experiencing suicidal thoughts.
	Tue 28 Oct 10AM-12PM
